Instructions to Reviewers:

All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a security order recommendation.

The attached copy of the application, any copies made therefrom and this form must be returned to the TO once a recommendation not to impose secrecy has been made or a security order has been rescinded.

Instructions for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a security order.

This application is subject to a security order for 18 months from the date of filing. If the application is not the subject of a security order, the applicant may file the application in a foreign country without a license. If the application is the subject of a security order, the applicant must obtain a license from the Department of Defense before filing the application in a foreign country. This application will be placed in the public domain 18 months from the filing date. If the application is not the subject of a security order, the applicant may file the application in a foreign country without a license. If the application is the subject of a security order, the applicant must obtain a license from the Department of Defense before filing the application in a foreign country.
